ELECTRIC FENCING

PRODUCT CATALOGUE

A practical product range for distributors and professional buyers.

Europe & Africa • 2026

ONE PARTNER ACROSS THE FENCE SYSTEM

AGVORIA brings compatible electric-fencing product families into one clear commercial range.

SELECT

A focused assortment aligned with market and application needs.

COORDINATE

Product families organized under one consistent coding system.

SUPPORT

Clear product communication for distributors and professional buyers.

PRODUCT RANGE

Six coordinated product families

01	Energizers	4 products
----	------------	------------

02	Conductors	5 products
----	------------	------------

03	Insulators	15 products
----	------------	-------------

04	Posts	3 products
----	-------	------------

05	Gate Systems	7 products
----	--------------	------------

06	Accessories & Testing	16 products
----	-----------------------	-------------

Energizers

Power options for different field requirements.

4 products

ENERGIZERS

AGV-EF-ENG-001
